BLANCHESTER POLICE DEPARTMENT
REQUEST FOR HOUSE CHECK

The Blanchester Police Department is happy to do house checks while your away. However, it is important that you fill out this form fully so that we are able to properly watch your residence, it is also important that the information is correct because we at the Police Department do not know the difference between friends and family that are allowed there or subjects that could be there for the wrong reasons. It is extremely important to call The Blanchester Police Department if during this house check time frame if your emergency contacts change.

We will not do house checks if someone will be staying at your residence, due to the risk of mistaking your house guest as a subject that should not be there. If you have given permission for anyone to come to your residence, we ask that they only do so during the hours of 8am to 8pm so that they are not mistaken for an unwanted guest during the night time hours. If something unexpected happens and someone must come during the hours of 8pm to 8am you must notify the department before their arrival.

I understand that, if a specific time is not given above to end the house checks, or if I do not know the date and time of return, I must immediately notify the Police Department of my return.
