

CURBSIDE RECYCLING SURVEY

Village of Blanchester, Ohio

Your Opinion Matters!

Curbside recycling provides a convenient way to recycle cardboard, paper, plastic, metal, and glass while reducing landfill waste. Increased recycling may also help limit future cost increases for waste collection services.

The Village of Blanchester is considering adding curbside recycling to its residential waste collection service. This survey will help Village officials better understand resident interest before making any decisions.

Prefer an online survey? Visit www.co.clinton.oh.us/BlanSurvey or simply scan the QR code.

Take this survey ONLY if you live INSIDE the Village of Blanchester.

1. What street do you live on in Blanchester? (Example: S. Wright St.)

2. How often does your household visit a recycling drop-off site, like the one located on S. Wright Street (behind UDF)? Please check only ONE.

☐ Every week ☐ Once every two months

☐ Every two weeks ☐ Never – we don't recycle

☐ Once per month If never, why? _____

3. Would you participate if curbside recycling was INCLUDED in your basic weekly waste collection service?

☐ Yes ☐ No If no, why? _____

4. If weekly curbside recycling required a MONTHLY SUBSCRIPTION, what is the MOST you would pay for that service? Please check only ONE.

☐ \$2.00–\$3.99/month ☐ \$8.00–\$9.99/month

☐ \$4.00–\$5.99/month ☐ I would NOT subscribe

☐ \$6.00–\$7.99/month

5. Comments (please share your thoughts about curbside recycling):

Return completed surveys to:

Blanchester Municipal Building * Attn: Mayor's Office * 318 E. Main St. * Blanchester, OH 45107

Surveys must be received by Oct. 31st.
