Committee Reports

Finance Committee

Don Gephart reported that we are still waiting to hear back from Perry & Assoc. regarding the audit that they were doing for us.

Safety & Service – John Hill informed council they had missed the deadline this year for the safe route for school grant, council would like to find out the cost to put the sidewalks in for this program. Don Gephart asked the solicitor to investigate the Ohio Revised Code to see if there is anything in there that states the property owner has to bear any part of the financial burden. The curbs need to be painted at Baldwin, John St, and Center St. Could also use no parking signs on these areas. Could use the Street Permissive tax to purchase these signs. The walk signs on Broadway and Main are not working properly.

There was a motion by Mr. Hopkins and a second by Mr. Parks to move forward with these items.

Vote: Yea – Mr. Garner, Mr. Gephart, Mr. Hill, Mr. Hopkins, Mrs. Lewis, Mr. Parks

Motion Passed

The parking stalls in the parking lot next to the Broadway Bar & Grill needs to be addressed. It was determined by Mr. Hill that by just slanting the concrete stops in each parking stall it would give an additional 5' of space of drive land and an additional 3" of space in front of cars. A piece of rebar would be used to hold them in place so if they needed moved for any reason.

There was a motion by Mr. Hopkins and a second by Mrs. Lewis to move forward with these items.

Vote: Yea – Mr. Garner, Mr. Gephart, Mr. Hill, Mr. Hopkins, Mrs. Lewis, Mr. Parks

Motion Passed

Mr. Hopkins asked if they would find out what it would take to get all the roads at the cemetery seal coated and or repaired. They will work on getting a quote for this. They will also look into seeing if there are any grants for this.

BPA – Donna Johnson, Business Manager for the BPA addressed councilman Parks on his use of Facebook to discuss items that were on the agenda. In particular, the post Thanking Ram Reddy for the sewer price increase. She informed everyone that this is incorrect. Mr. Reddy does not have the power to make these decisions. All he can do is make a recommendation to the Board, and then they present it to Council for their vote. The BPA is concerned he is discussing topics on Facebook before it even has a chance to be discussed at the council meeting. The mayor agreed, that this is the same thing that Mr. Parks was sanctioned about before which is putting false information out on social media.
