March 5, 2026

SAVE THE DATE!
SATURDAY, APRIL 25TH

Dear Local Officials,

On Saturday, April 25th we will be hosting our **2026 Recycling Mega-Event** for local residents to recycle scrap tires, televisions, and household batteries. Please help us spread the word by displaying the enclosed flyers and sharing this information with your residents. Registration will open in late-March.

Tire Recycling Event: We realize that the number of tires collected from area roadways often burdens local townships/municipalities. Therefore, just prior to the Recycling Mega-Event on April 25th, we will be permitting *townships* and *municipalities* to bring us *all* tires collected from area roadways or public grounds at no charge (sorry, no earthmovers). **However, to ensure we have enough collection trucks onsite, you MUST pre-register online by noon on Friday, April 24th in order to participate.**

Pre-registration is as easy as 1-2-3!

- 1) Visit www.co.clinton.oh.us/recycling.
- 2) Select "**Local Gov't Tire Recycling Event**" (or scan the QR code below).
- 3) Complete the required fields and hit **SUBMIT**.

On the day of the event, we ask that townships/municipalities arrive at your scheduled appointment time so that we may service you prior to the public collection, which begins at 9:00 AM. Also, if you are not in a township/municipal vehicle, be sure to have some form of identification associating you with your respective political subdivision.

Should you have any questions, please do not hesitate to contact our office. Remember, you **MUST** pre-register in order to bring any tires! We look forward to assisting you with the proper management of scrap tires.

Sincerely,

Jeffrey D. Walls
Coordinator
